

TD Greystone Money Market Fund

\$9.2B (C\$) in Fixed Income Assets Under Management¹

Why Invest

- We understand how fixed income risks can interact with equities and alternative investments
- We seek to deliver a bond strategy that provides stability to your portfolio in periods of stress, along with a proven track record of adding value

Investment Philosophy

- We believe fixed income portfolios should add value while also balancing the equity and liquidity risk of the total investment program
- To accomplish this we have developed a multi-strategy fixed income approach that will harvest value from interest rates and credit when they are attractive and will defend when opportunities are unattractive
